# Welcome!

By the water, overlooking the Kagerplassen,  
everything can slow down just a little.

For a long lunch in the sun, something delicious

flavours with a modern twist.

Take your time, have a look through the menu

# Groups & Events

At Milo, it's all about moments  
you truly want to make special.

A sunset dinner, drinks that turn into a long evening, a wedding by the water, a team day that brings people together, or a celebration that lingers long after the last toast.

The holiday feeling of Kaageiland, authentic hospitality, and the view over the Kagerplassen come together at Milo in moments that feel just that little bit more special.

For family, friends, colleagues or business relations, we're happy to create something that fits — intimate or grand, relaxed or festive. We also open especially for groups and special occasions outside our regular season.
